

April 27, 2016

Mattei USA has approved ANDEROL® FG XL 68 for use as a food grade lubricant in all Mattei rotary vane air compressors.

This approval is based on successful completion in April 2016 of a field trial run in a Blade® 7 HX 208 model air compressor.

Regards,

Jay R Hedges  
President  
MATTEI COMPRESSORS, INC.
